Attach a 1x6 Technic Beam to the side of the structure, connecting it to the 1x4 Technic Beam and the 1x6 Technic Beam already attached to the top of the structure.

X1

X1 X1 X1 X1

455

X2 X1

456

Diagram 9 shows the bottom beam being attached to the frame. Red arrows indicate the placement of the bottom beam, which is connected to the side beams using blue pins.

457

This diagram shows an exploded view of a LEGO Technic engine assembly. The main engine block is on the right, with various internal components like pistons, connecting rods, and a crankshaft visible. On the left, a separate assembly of beams and connectors is shown, with red arrows indicating its placement relative to the main engine block. The background is a light yellow color.
